## **Update for Strategic Plan and Policy Subcommittee**

---

### **Requested Action:**

---

### **Recommendation**

#### **Climate Change**

The draft Delta Conservancy Climate Change Policy reflects the full Board's comments from the January 18, 2012 meeting and subsequent subcommittee meetings in February and March. On March 12, 2012, the subcommittee unanimously recommended that the Board adopt the revised Climate Change Policy.

#### **Strategic Plan**

The subcommittee received a detailed briefing of the administrative draft of the strategic plan at their March 12, 2012, meeting. The subcommittee was provided with a copy of the working draft of the Strategic Plan and met on March 19, 2012, to provide the consultants with detailed comments and feedback. The consultants will provide the Board with an overview of the draft Strategic Plan as well as a hard copy of the document at the March 21, 2012 board meeting. Plans to engage the Board and subcommittee in the next phase of the process are listed in the Strategic Plan Schedule (attached).

#### **Executive Fellowship Program**

The Fellows team is completing their interviews on the enforcement project and look forward to presenting their findings to the subcommittee in April and the full Board in May. They decided to expand the project to include a look into liability issues.
